# A Gentle Wind

songs and stories for children

**Click...**

You have just unlocked a treasure chest filled with songs, stories, and laughter. Some are glistening and new, others classics that have stood the test of time. These gems have the power to inspire happy family memories, brighten "stuck in the house" days, soothe bedtime routines, and shorten long car trips. They'll conjure up adventure in far away lands, or remind you of the magic and mystery waiting just outside your front door.

**Why is A Gentle Wind perfect for your family?**

**AWARD WINNING REPUTATION:** A Gentle Wind's recordings have been recommended by Parents' Magazine, The Washington Post, Family Fun, The American Library Association's "Booklist," Entertainment Weekly, Learning Magazine, Working Woman, School Library Journal, Oppenheim Toy Portfolio, The Parent Council, and many other newspapers and magazines.

**POSITIVE MESSAGES:** Recordings from A Gentle Wind are family-friendly and age-appropriate, providing a multicultural window on the world instead of simplified stereotypes. What's more, they are noncommercial - designed to sell your kids on life, not the latest action figures and accessories.

**QUALITY SERVICE:** We want you to enjoy the recordings you choose. Check out our no fault guarantee on the order form.

**FREE BONUS:** If your merchandise total is more than \$50.00, you will receive one of our full-length samplers as our thanks to you. Choose from the list of samplers on the right, or let us choose for you. A \$14.95 value that's absolutely free.

*If you're looking for the best recordings for children, step into our catalog and let the songs and stories surround you. The wonder and magic will carry you away on a gentle wind.*

**School Fund Raiser:** Use our recordings as a fund raiser to earn free CDs and money for your school. Call 518-482-9023 or write to: A Gentle Wind, Box 3103, Albany, NY 12203 for information.

**Good Learning, Good Listening, Good Fun, & More:** Sharing songs and stories and fun brings families closer together. Another plus - studies show that music helps develop the part of the brain used for mathematics and listening to stories encourages the transition to reading. So have a good time while your children develop skills that can help them excel in school.
